

Surname:

.....

First name:

.....

Date of birth:

.....

Employer:

.....

Please answer the questions as exactly as possible by marking with a cross.

If you are uncertain about the right answer, leave a blank space. You can clear up by simply asking the company doctor. This questionnaire is very important for the preparation for the following conversation between you and your company doctor. Information about your prehistory are therefore required.

Of course all your answer are bound to the medical confidentiality and no information will be transmitted to your employer. Your employer will only be informed if there are general medical doubts in consideration of your job.
